## What is Relay For Life?

Relay for Life Kuala Lumpur begins at 4pm and ends at midnight, 12am.

Individuals, survivors and people from all walks of life will come together to take turns to walk the track continuously.

Games, performances & fundraising events will take place during Relay to raise funds in support of our cancer awareness cause.

## How will we use the money collected?

To **EDUCATE** our society about early detection and prevention of cancer.

To **CARE** for cancer patients by providing access to screening facilities.

To **SUPPORT** cancer patients & their caregivers to empower them and increase their quality of life.

## What are the Objectives of Relay For Life?

### Celebrate.

Celebrate the lives of those who have battled cancer. The strength of survivors inspires others to continue the fight.

### Remember.

Remember loved ones lost to the disease. At Relay, people who have walked alongside those battling cancer can commiserate and find healing.

### Fight Back!

We Relay because we have been touched by cancer and desperately want to put an end to the disease. Make a commitment to save lives by taking up the fight.
